As a reminder the **Teachers and Mentor Institute (TMI) will be held August 6 & 7** in building 697 (The Lowry Conference Center) at the Lowry Campus of the Colorado Community College System (1061 Akron Way, Denver, CO). Each school may send up to **three** participants.

To register please send an email to (jose.m.lopez@comcast.net) and to Chuck Powell (cpowell@jeffco.k12.co.us) no later than Wednesday, July 25.

Please include contact information for each participant. Please bring a laptop to the Institute. Also, if you can, please bring a cordless drill with a Phillips bit. There is no cost for attending the Institute, and lunch is included! [Your team will be at a considerable disadvantage if you do not attend the Institute. We cannot provide the training at a later date.](#)

Please be aware that your team will be using \$1000 of electronics equipment during the competition and you will be responsible that it is not damaged. During the TMI, the trainers will provide the information to ensure the electronics proper use. Schools on the standby list should send a representative to ensure you are ready to assume a spot in the competition.

As a reminder:

- **Kickoff** will be on **Saturday, September 15** at Denver South High School
- **Practice Day** will be on **Saturday, October 20** at Denver West High School
- **Game Day competition** will be on **Saturday, October 27** at the Auraria Campus Events Center (aka Gym)
